An award-winning solution for those seeking to 'step up' to next-generation finance software

True-cloud finance software without the sky-high pricing. iplicit is the award-winning accounting solution that pays for itself.

iplicit enables businesses and nonprofit organisations to streamline processes with automation and intuitive workflows. It gives them in-depth analysis and insights to drive critical decision-making forward.

iplicit empowers organisations around the world to take control of their finance operations and focus on what really matters.

*"The real-time reporting has been business changing. We've been able to **consolidate all the businesses at once** so we can grab very realistic and up-to-date snapshots at a moment's notice."*

Sarah Smith, Group Operations Director
A-One Insurance Group

iplicit's competitive price point puts the power of enterprise-level accounting software in the hands of all midmarket organisations.

Unlimited Flexibility

iplicit offers unlimited dimensions, allowing customers to slice and dice their data in as many ways as they need, to gain the insight required to drive growth.

Real-time Consolidation

Our single unified architecture means that transactions are entered once and automatically consolidated in real-time for easy reporting.

Project Accounting

Our powerful project module allows for users to easily manage and gain visibility over key metrics such as project profitability.

Dashboard Reporting & Analytics

Create powerful dashboard reports to easily visualise key metrics and KPIs.

Credit Control Capabilities

Easily customise your dunning processes to improve payment collection and reduce DSO. We also offer native direct debit functionality.

Automated Billing & Revenue Recognition

Utilising our automation engine, customers can fully automate their billing and rev rec processes, removing the need for clunky and error-prone spreadsheets.

API-first Architecture

Built for growth, iplicit easily integrates into other key business systems to provide a real-time single source of truth.

AP Automation

Optimise your processes and utilise time saving technology to remove the burden of manually managing your procure to pay process.

Timesheets & Expenses

Timesheets and expenses are available through our mobile app or any modern browser.

Intuitive Workflow Engine

Freely configure workflows in iplicit so that the system works the way you need it to with all the approvals and controls you require.

Your trusted partner throughout.

Our expert implementation team will support you through the entire onboarding process, with customers **up and running in weeks rather than months.**

Once you're live, you'll have ongoing customer support to ensure you're getting the most out of iplicit and your software is constantly upgraded to provide additional features, without affecting your customised set-up.

*"iplicit is a product that I'd highly recommend. It's probably the most flexible system I've ever used. It saves masses of time. All the finance team have said to me that **the best thing I've ever done was bringing in iplicit.**"*

Narinder Uppal, Finance Director,
The Recruitment Group
